PERSONAL PROJECTS

SimonGame(05/2020-06/2020)

This game combines sound and light.It can test your memory skill.The device creates a series of tones and lights and requires a user to repeat the sequence. If the user succeeds,the series becomes progressively longer and more complex.

Personal Portfolio (04/2020 - 05/2020)

- Student or aprofessional looking to get ahead,needs a website. Its own chance to establish an online home base, impress recruiters.
- I created this website using HTML5 and CSS3.As nowadays websites play a major role in every field.
